Healing

# Welcome! We're so glad you're here!

*God offers healing, acceptance, and forgiveness; at times these gifts are offered in very surprising ways. Wholeness of life comes through God's grace, not through power, wealth, or adherence to human rules. As we grow in our walk with Christ we are challenged to die daily – to become the Spirit's new creation – to commit wholeheartedly to expanding the work of God's Kingdom in loving and joyful ways.*

*We also are called to proclaim God's healing and redeeming love in word and deed. Within the Christian tradition there are many examples of people who have worked alone or joined with others to spread the good news of God's kingdom and to make a difference for good.*

*Who have you found to be a surprising prophet of God's love? What do you need as you pursue life as Jesus' disciple?*

So he went down and dipped himself in the Jordan seven times, as the man of God had told him, and his flesh was restored and became clean like that of a young boy. –verse 14

*2 Kings 5 can be found in the Old Testament on page 329 of the Pew Bible.*

*Please take a moment to fill out the Weekly Registration Form found in this bulletin. Your questions, comments and prayer requests are encouraged. These forms will be collected during the worship service.*
